

# 10 WARNING SIGNS OF ALZHEIMER'S

An Educational Program Presented by the Alzheimer's  
Association Greater Cincinnati Chapter

**Wednesday, October 18, 2023**

**10:00-11:00 AM**

**Liberty Station Health Campus, 5348 Newtown Drive  
Liberty Township, OH 45011**

Alzheimer's causes changes in memory, thinking and behavior that are not normal aging. Join us as we learn about 10 common warning signs and what to watch for in yourself and others. This program will explore typical age-related changes, common warning signs of Alzheimer's, how to approach someone about memory concerns, importance of early detection and more.
